

Buffalo Golf Club Rules & Regulations

1. All golf play shall be governed by the rules of the United States Golf Association except where local rules apply.
2. The Golf Professional or his/her designee has the authority to manage the conduct of play and may modify a rule to meet special situations.
3. All players must register in the Golf Pro Shop before beginning play.
4. Tee times can be made seven days in advance and it is recommended that all players call the Golf Pro Shop to reserve a tee time. Groups are encouraged to be here 10 minutes prior to tee off time. Groups that arrive late may have their tee time cancelled and may be moved to the next available tee time.
5. Play shall start from the 1st tee unless directed by the Golf Pro Shop staff.
6. Players stopping for lunch after (9) holes will relinquish tenth tee privileges. They may resume play only upon the approval of the Golf Pro Shop staff.
7. No groups larger than four without permission from the Golf Pro Shop staff. During "peak" times, groups of more than four are not allowed.
8. Singles, twosomes and threesomes may be required to form foursomes. Foursomes have the preferred right of way on the golf course.
9. Speed of Play – You must keep up with the group in front of you, not ahead of the group behind you. Slower playing groups should signal faster playing groups to play through if there is an open hole in front of the slower playing group. The maximum time to play an 18-hole round of golf is 4 ½ hours. The maximum for 9-holes is 2 ¼ hours. Slow groups who fall behind will be asked to pick up the pace. If you continue to be behind, your group will be asked to skip holes to get back into position with the group ahead. A third warning will result in being asked to come back at a less busy time.
10. Players are asked to rake bunkers after usage, replace/fill divots and repair ball marks.
11. The Golf Course Superintendent has the right to close the course for play, or limit golf cart usage, for any reason (such as frost, dry conditions or saturated turf.)
12. Wyoming State Law prohibits alcoholic beverages from being brought onto the property. Alcohol must be furnished from the Clubhouse Grille. Violators are subject to beverages being confiscated and possible removal from the property by local law enforcement. Repeat violations may result in your playing privileges being revoked for the current season.
13. Proper golf attire is preferred. For men: shirts with sleeves must be worn. Women: sleeveless shirts are allowed. Please no tank tops, halter tops, swim tops or short shorts. T-shirts and jeans are acceptable. Soft spikes, tennis shoes or flat soled shoes only. No boots or shoes with heels that can damage greens.

14. Golf Cart Rules

- You must be a licensed driver to rent and/or operate a golf cart.
- The Club's carts may not be taken off golf course property.
- A maximum of two adults are permitted to ride on each golf cart.
- Observe and obey all signs and markers on the golf course.
- Keep carts at least 30 feet from all tees and greens, always use cart path when provided.
- Please return all rental carts to the south patio staging area.
- Private golf cart operators must be licensed drivers.
- Only lessees of the Club's golf cart storage sheds can use private carts on the premises. No other private carts or any other motorized vehicles can be used on the course.
- Operation of a golf cart is at the risk of the operator. The operator will be held responsible for any and all damages resulting from misuse.

15. Practice Facility Rules - Please hit from all designated areas on the driving range, putting green and pitching areas.

- Range balls and range bags are NOT to be removed from the range for any reason.
- Golfers hitting balls outside or over the fence and boundary areas are responsible for property damage and injury to others.

16. Golf is a dangerous and hazardous activity that can result in bodily injury, property damage and/or death. Such hazards include but are not limited to trip/slip and falls, falling tree branches, being hit by golf balls and/or clubs, and accidents related to theirs or others operation of golf carts. Persons playing golf or on the property are at their own risk. Lightening is a natural hazard of golf and the Club and Staff assume no liability for safety from the hazard of lightening or electrical storms.

17. These Golf Rules and Regulations may be modified and or changed at any time at the discretion of the Buffalo Golf Club Board of Directors.
